FAQs

Are sparklers allowed?

Yes, sparklers are allowed, but all sparklers must be extinguished in a metal wastebasket filled with sand. If any sparklers are left behind or there are burn marks on concrete, you will forfeit your security deposit.

Are balloons allowed?

No, balloons are not permitted in the Park. Other prohibited items include non biodegradable confetti and artificial flower petals.

Are candles allowed?

Real candles are allowed only if they are enclosed in hurricanes or tall votives.

Can I stake my tents?

Stakes are only permitted on the Main Events Lawn with advanced permission as there are irrigation lines that can be punctured with tent stakes.

Staking in the grass at Marble Hall is not permitted - all tents on grass must be weighted. The Terrace can accommodate a 60ft x 90ft tent using the in-ground anchors, eliminating the need for stakes.

Can I have food trucks?

Yes, food trucks are permitted as long as they have a city permit. Please confirm parking location ahead of time with us.

Do I have to use your preferred vendors?

No, you are welcome to use any vendors as long as you provide us with a list of vendors being used and order forms if applicable.

What is the capacity at Marble Hall?

For a ceremony, Marble Hall can accommodate 200 under the cover, but more can fit if you spill onto the concrete terraces. For a reception, you can accommodate up to 125 under the cover depending on the shape and size of tables used.

What are the rules for serving alcohol?

If serving alcohol, you are required to obtain liability insurance - limits \$2M per occurrence / \$3M in aggregate with the City of Knoxville and Lakeshore Park listed as additionally insured. You can go through your insurance agency or use eventhelper.com. All alcohol must be served by a licensed bartender or caterer with an off-premises license, and alcohol service must conclude by 10pm. You will sign an Alcohol Rider form with the bartender's license or caterer's information.
